PROFESSIONAL EXPERIENCE

Orientation Advisor / Office Orientation Assistant | UMD Office of Orientation & Transition *Jan 2026 – Present*

- Support orientation programs serving 300–600 students and family members by handling check-in, leading campus tours, and facilitating activities. Deliver an organized, inclusive orientation experience in a fast-paced environment.
- As an OA, lead groups of 14–25 incoming students through orientation, providing guidance on university resources, academic policies, and campus life while fostering an engaging and welcoming environment.
- As an OOA, support the Office of Orientation & Transition by handling phone calls, emails, and administrative requests while assisting students and families with questions and directing them to appropriate resources.

Project Manager / Intern | Dynamic vSolutions *June 2023 – May 2024*

- Led a 5-person capstone team investigating the 2023 PGCPS cyberattack, coordinating project milestones and delivering technical findings on schedule.
- Developed a full-stack school website and researched firewall defense strategies by deploying, monitoring, and simulating cyberattacks on AWS-hosted virtual machines.
- Managed and migrated virtual machines across the company's cloud infrastructure using VMware vSphere and VMware Horizon, gaining hands-on experience with virtualization, cloud administration, and system management.

RELEVANT COMMUNITY EXPERIENCE

Co-VP of Admin Affairs | Asian American Student Union (AASU) *Aug 2026 – Present*

- Assist the Co-Presidents in an executive-assistant capacity, supporting other E-Board positions with logistics, communication, and detailed board meeting notes.
- Manage administrative operations including TerpLink form submissions, attendance tracking, SORC locker inventory, and archiving of AASU materials. Also maintain internal AASU calendars and book event rooms via eCalendar and TerpLink.

Administrative Director | IMMERSE *July 2026 – Present*

- Coordinate event logistics by developing detailed event documentation, creating RSVP forms, and determining catering hosts. Facilitate communication with various departments on campus and internal dialogue.

Co-Design Director | TECHNICA *Mar 2025 – Present*

- Lead a cross-functional design team to coordinate creative deliverables for the world's largest hackathon for underrepresented genders, producing website UI, merchandise, promotional materials, and social media assets.
- Partner with department leads prioritizing competing design requests, managing project workflows, and delivering consistent branding across digital and print media while meeting tight event deadlines.

Design Team (Graphic Organizer 2025/ Product Designer 2026) | Bitcamp *Nov 2025 – Present*

- Collaborate with the design team to create branded social media graphics, event posters, and promotional materials for one of the East Coast's largest hackathons, supporting an event with 1,000+ attendees.
- Support day-of event operations by coordinating attendee flow, venue logistics, and line management while ensuring a seamless experience for 1,000+ participants, mentors, and sponsors.
